*488-3530**

Mihama Teriyaki Grill opened in the fall of 1989. Our desire was to provide healthy whole foods selections with a Japanese flair at a reasonable price. We prepare all of our items on site using fresh vegetable, meats, and seafood. This allows us to control the ingredients in our foods and sauces and enables us to minimize all additives and preservatives found in many commercially prepared and processed foods. Please allow time for your food to be served as we cook each meal to order. **Closed weekends for family time.**
